Share transfer, Kwamtili Estate Ltd, Tanga

Dear Willy,

I am the owner of 442 Founder and 410152 Ordinary Shares in Kwamtili Estate Ltd (“KEL”), a private company limited by shares domiciled in Tanga, Tanzania.. All shares are fully paid. No share is under lien. I have therefore the full power to dispose of these shares in KEL.

I hereby agree to the immediate transfer of the Founder and Ordinary Shares in Kwamtili Estate Ltd (“KEL”), Tanga, in my name to the Kwamtili Forest Sanctuary Association (“KFSA”) being established under Swiss legislation under the The UsitawiNetwork Foundation. The transfer is free of charge.

I shall instruct the company to issue new share certificates in the name of the Kwamtili Forest Sanctuary Association.

By copy I am asking Mr Alex Tamé, a KEL co-director, to confirm to me the authority to transfer to KFSA in the same manner the 117924 Founder and Ordinary Shares shares registered in the name of W.J. Tamé Ltd and of which he is the inheritor following the death of his mother, Mrs Jane Tamé.

The transfers are conditional upon the completion of an agreement between myself representing current shareholders in KEL and the KFSA. Under this agreement, I or a designated heir and a person appointed by the representative of the current shareholders will become members of the KFSA Board.

The transfers are also conditional upon the creation of the KFSA. If the KFSA is not created and operational within two years the shares should be returned at no cost to safekeeping with yourself pending further instructions from myself or the designated heir.

I shall inform you in due course of the name and contact details of the designated heir.

I personally look forward to this opportunity to continue my engagement with KEL.

Sincerely,

Dennis Fielder
