Share transfer, Kwamtili Estate Ltd, Tanga

Dear Willy,

I hereby agree to the immediate transfer of the Founder and Ordinary Shares in Kwamtili Estate Ltd (“KEL”), Tanga in my name to the Kwamtili Forest Sanctuary Association (“KFSA”) being established under UsitawiNetwork International (“UNI”).

As the KFSA is not yet established I shall instruct the company to issue new share certificates in the name of UsitawiNetwork International.

By copy I am asking Mr Alex Tamé to confirm to me the authority to transfer the shares in the name of W.J. Tame Ltd to UNI in the same manner.

The transfers are conditional upon the completion of an agreement between myself representing current shareholders in KEL and the KFSA. Under this agreement, I or a designated heir and a person appointed by the representative of the current shareholders will become members of the KFSA Board.

The transfers are also conditional upon the creation of the KFSA. If the KFSA is not created and operational within two years the shares should be returned at no cost to safekeeping with yourself pending further instructions from myself or the designated heir.

I shall inform you in due course of the name and contact details of the designated heir.

I personally look forward to this opportunity to continue my engagement with KEL.

Sincerely,

Dennis Fielder
