Re: Kwamtili Estate Ltd vouchers, etc.

Dear Juvent,

I am very disappointed that you have not released documents, vouchers and statements that would allow the auditors of Kwamtili Estate Ltd, namely Kada and Associates, Tanga, to finalise the accounts and tax returns for 2012 to 2014.

I have asked repeatedly that these documents and the like be handed over, either in person to the auditors or by mail

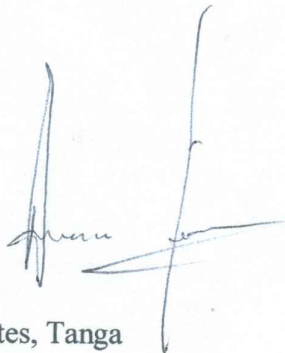

I understand from bank statement's that you made a significant number of withdrawals from the Kwamtili Estate's bank account over the period in question totalling some 17 million TZS.

These and possibly other amounts such as income from various activities on the estate need to be accounted for.

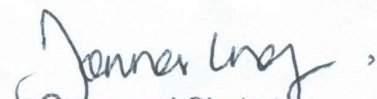

You will of course appreciate the difficulties that will arise if proper accounts are not duly completed in good time.

Sincerely,

Dennis Fielder
Managing Director
