Re: Kwamtili Estate Ltd

Dear Mr Tahir,

I hope this letter finds you well and still active.

You may remember that you acted for me in the purchase of shares in Kwamtili Estate Ltd from Mr Robin Bryant. The transaction took place in April 1999 and involved 40152 Ordinary Shares and 442 Founder Shares.

I need to confirm my shareholding, with a view to removing from the share register those shareholders who have been wound up.

I would be very grateful if you would send me copies of any correspondence and documents that relate to the share transfer.

Also, it is probably important that I have available any correspondence you may have relating to the payment of taxes to the TIC.

I realise that making copies available will take time and some inconvenience.

I am therefore very prepared to pay for the service and to ask the Kwamtili Estate auditor to pass by your office to collect the copies.

I very much hope that you will be able to help since a very determined effort is being made to place Kwamtili on a sound financial and legal basis.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dennis Fielder', with a long horizontal flourish extending to the right.
