

# EFCA SECTOR REVIEW 2023 SURVEY

## DATA FORM

In publishing a [sector review](#) that includes a list of the top firms providing engineering services in Europe for construction and the built environment, EFCA will consider listing your company or group on the basis of the information entered in this form.

Before 20 January 2024, please enter data for your company or group and return the form to the EFCA Survey Coordinator ([peter@peterboswell.com](mailto:peter@peterboswell.com)) or simply complete the survey:

<https://efcasurveys.peterboswell.com/2023>

The entries on this form correspond to those for the more detailed on- and off-line survey questionnaires. Please contact the EFCA Survey Coordinator for further information.
